• Textile Industry

BOPP Bags

RMCL offers a range of BOPP bags manufactured with superior quality Biaxially Oriented Polypropylene (BOPP) films. These bags have high tensile strength and impeccable physical properties like good dimensional stability, water proofing, transparency etc. These bags are available at highly competitive prices and customization is done as per the requirement of the client. These bags can be used for different products & various application.

PP Bags

RMCL offers a range of TQPP bags with Seal King closure and printing upto 8 colours. These bags are used for packing textiles and also used in the beverage industry.

Stretch Films

Highly transparent film with excellent elongation, stress retention and puncture resistant

Stretch film is an elastic polyethylene film, also called pallet stretch film. This film is used extensively for packing and securing loads stacked on pallets. This ensures that the goods are given ample protection from rain and dust. It also helps prevents the goods shifting during transit thus reducing damage to the goods.

Polyolefin Shrink Films

High clarity films with high cling and tearing properties

RMCL manufactures a multipurpose polyolefin shrink film and markets the same under three separate brands called Krimpín - a high shrink force film; PROSHRINK - a film with high memory retention properties and Opto - vac - a film with excellent aesthetic properties. This film delivers exceptionally on protection, performance and environmental parameters and has excellent memory properties.

BOPP Tapes

For high performance and superior adhesion

RMCL offers a wide range of self adhesive BOPP tapes manufactured from a thin flexible tape, coated with a superior acrylic base adhesive on one side. These tapes are UV and weather resistant, user friendly and come with scratch proof multicolour gravure printing. They are of assured and marked tape length and guarantee tamper proof packaging and quick product identification.

PET-PP Straps

High tensile strength for securing boxes and pallet loads

RMCL offers a wide range of PET straps which are light weight, easy to use and suitable for strapping packages. These straps have over twice the resistance to shock loads as compared to steel straps and also the ability to stretch just slightly to absorb shock and recover. Available in different length, width and thickness these PET straps are reliable, safe and economical. They can be used with manual strapping tools and semiautomatic strapping machines.

Air Bubble Sheets

Lightweight, water resistant, transparent sheet with excellent cushioning properties

RMCL offers Air Bubble wrap sheets, a flexible and transparent plastic sheeting containing numerous small air pockets. The sheets offer cushioning and scratch protection far superior to packing paper and are used to protect items during shipping and storage. Bubble wrap is lightweight, water resistant, reusable non-scratching and is used for packing fragile items. It can also be used to cushion medium to heavy weight products

Offset Printed Cartons & Liner Cartons

RMCL today offers a wide range of printed, plain and liner cartons. It also has the production facilities to create tailor made cartons for diverse industries as well.

It can create food or non- food packaging cartons and offers plain cartons in ready sizes or as a bespoke item. Range includes standard cartons, standard mailers, 2 piece lid and base, corrugated and fluted boxes, flat pack lid, reverse tuck in end style, straight tuck in cartons etc.

Technology

RMCL employs the most efficient carton making machines in the industry like Planeta 6 color super variant and a 4 color Man-Roland offset printing machine to print high quality paper boxes. These boxes are then further processed on equally efficient punching and gluing machines from Bobst and Vega respectively.

For liner pasting it has a liner pasting machine from Heiber + Schröder Maschinenbau GmbH

Characteristics:

- Made from material from board supplied by selected paper mills
- Extremely durable
- Highly functional
- Very convenient
- Various lid / closure options
- Multi use
- Cost effective
- Easy to assemble

Applications:

- Food Packaging
 - direct and indirect contact
- Pharmaceutical Packaging
 - industry standard sizes, tablet cartons and white standard
- Printed & Plain Cartons
